[redacted] Met with Representative F. Edward Hebert (D., La.) and discussed with him the Look editorial of 18 April and the Evening Star editorial of 31 March. Mr. Hebert indicated that he would put both of these editorials in the Congressional Record. He felt it best to put each one in on a different day and requested that I prepare for him an introductory statement for his use. He noted that he would be tied up in committee meeting until late in the afternoon. He intends to put the Look editorial in the Record and follow it with the Star editorial.

Mr. Hebert noted that his recent television remarks and press releases in the New Orleans paper had been given quite good coverage. He also advised that the Shreveport Times had followed with a rather good editorial. He will have his New Orleans office forward a copy of the Shreveport Times editorial for our information.
